

Mandatory

- An **English folder, binder, or dedicated section of a larger binder** – *whichever works for your organizational style. You will have several assignments working at one time, and you must be able to locate each one quickly.*
- **Highlighters** – one each of **green, yellow, blue, and pink**. *We use these a lot.*
- **Pens** – **standard blue/black** *Generally speaking, I do not grade any finished paragraph writing done in pencil. Rough drafts and annotations may always be done in pencil.*
- **Paper** *Spiral paper will never be accepted if the spiral trash is still attached.*

Optional

- Post-it Notes (3 x 3 or smaller. Not required – these are for YOU, not for me; if you would never use them, don't buy them.)
- It would be super-nice if you'd bring a **box of tissues**. (Not required)

You must also bring any literature we are currently discussing.

→ ***Also note: I do not provide extra copies of any worksheet. Check the website first. Extra copies are 10 cents/page. One side of the paper = one page.***
